To answer the question “Where do babies come from” if you’re talking to your 6-12 year old, tell them that when men and women have sex, they can make babies. AT this age, your child may be beginning through puberty, so talk about the physical and emotional changes they can expect, which may have an impact on their day-to-day life. Try to use the correct vocabulary to talk about body ...

Although the Bible does not mention abortion or aborted babies, we do have two keys to help us unlock the answer to the question of whether the souls of aborted babies go to heaven. The first key is from the only passage in the Bible where something specific is said about the death of infants. In 2 Samuel 12 we learn of David's affair with Bathsheba, another man's wife. David was informed

When Do Babies' Eyes Stop Changing Color? It takes about a year for the melanocytes to finish their job and for the final color to come in. While the rate of color change does slow down after 6 months, the color can still change after this time. Sometimes the color change can continue for several years before the eye color becomes permanent.
